

National Project for Women's Ministries

The next National project will be announced in 2011.

Every other year, Women's Ministries collaborates with the Department of International Ministries to determine a project for Women's Ministries. Each church in Open Bible is encouraged to raise funds to contribute for the specific need. We are stronger together than alone!

Please send your donations postmarked by December 15 and include the [Contribution Form Link](#).

Previous Projects:

2009: Children's Resource Center for Dominican Republic

2007: Maternity Clinic in Papua New Guinea

2005: Chetumal, Mexico
