SPRING 2010: IN TOUCH is going ONLINE!

Thank you for participating in the survey that was included in the previous issue. Due to the survey responses and the high cost of printing, we will discontinue the hard copy IN TOUCH and start an electronic newsletter in the spring of 2010. If your subscription has not expired, thank you in advance for donating the remainder of it to Women’s Ministries. The E-Letter will be FREE.

To receive the first on-line issue, spring 2010, please send your name and e-mail address to linda@openbible.org. Women’s Ministries leaders may want to send all the names and e-mail addresses of the members in their church at one time. On-line Issues can also be forwarded and are downloadable so you can distribute printed copies to those who do not have e-mail.

Facebook page: “Women’s Network of OBC”

It is a network of women in Open Bible Churches and beyond who are interested in helping each other grow in the Christian faith and develop as leaders. Please join the group on facebook.
