1. Identify any significant data or ministry events that show how God has used you during the current reporting period. Include data about religious services and rituals, professions of faith, bible studies, counseling sessions, crisis intervention ministry, mentoring ministry, visits, etc that reflect the presence of the Holy Spirit working through you at that time. This is not intended as "statistical data" report form, but rather an opportunity for you to share how God has used you to bless others by facilitating their faith.

2. In your personal journey as a disciple of Jesus address any specific resources or disciplines that have assisted you in your spiritual growth and that you feel may be of assistance to others.

3. How can the church best pray for you, your family and those to whom you minister?

4. Please provide any additional information that will assist us in identifying with, facilitating and promoting your ministry.
