

# Good News!

Do you ever feel overwhelmed with the amount of information you receive in one day? From the morning paper to the evening newscast, we are bombarded with reports from across the nation and around the world. And most of it is not good news! We are often left frustrated by the events of the day – events we can do nothing about.

Wouldn't it be great to get good news once in a while? News about what God is doing world-wide? News of events you helped bring about by your involvement in Open Bible?

## The **Message of the Open Bible**

serves just that purpose. We exist to inspire, inform, and unify the Open Bible family. Not only do we bring you news of what God is doing throughout our movement, we also offer practical faith-building articles and testimonies from real people dealing with real-life issues.
